

Teresa C. Berrien Elementary School

Dress Code for 2019-2020 School Year

At Teresa C. Berrien, we are proud of the way our students look when they come to school. We believe the way a student looks reflects his/her attitude towards self and school. All students are expected to dress and groom themselves neatly and appropriately in accordance with the following rules:

1. Clothes and hair should not present a danger to the health and safety of the student or other students.
2. Appearance should not cause an interference with schoolwork or create classroom disorder.
3. Students and clothing should be neat and clean.
4. T-shirts with obscene or vulgar messages are prohibited.
5. Enclosed footwear should be worn anytime students are outside. Flip flops and open toed shoes cannot be worn to school.
6. Dangling earrings are a hazard and should not be worn to school.
7. Revealing or provocative clothing is inappropriate for school.
